

Supreme Court of Missouri
Missouri Board of Law Examiners

HEALTH-RELATED CONDITION NOTICE FORM

JULY 2020 Bar Examination

This form must be submitted if at the bar examination you:

- Have a specific health-related condition that may require emergency medical attention; or,
- Need to bring items into the examination room that are usually prohibited pursuant to the board's *Exam Security Procedures and Code of Conduct*, but are required due to a health-related condition, such as medication (over-the-counter or prescription), diabetic supplies, lumbar support, food/juice, lactation pump, etc.; or
- Need special seating arrangements due to a health-related concern. NOTE: Applicants unable to wear face masks during the July 2020 exam because of health-related conditions will need special seating arrangements.

Complete this form to notify the board of:

- The nature of the condition;
- The name and telephone number (with area code) of one or more persons who should be contacted in the event of a medical emergency; and
- Items needed in the examination room because of a health-related condition.

If the need is for food/juice, medication, an assistive device, or special seating, a statement from your medical doctor verifying your condition and supporting your need must be included.

This form must be filed for each examination and received in the board's office no later than **July 1**. If submitted and approved, you will be advised in the Message section of your MBLE user homepage.
