

Admission to the United States District Courts For the Eastern and Western Districts of Missouri

Applicants Who Passed The Missouri Bar Exam Taken In July 2022

Congratulations on your admission to practice law in the State of Missouri. The United States District Courts for the Eastern and Western Districts of Missouri will conduct an enrollment ceremony for admission to practice in the District Court(s), following the traditional Missouri Bar enrollment ceremony.

Each of these districts maintain bar memberships independent of each other. It is not necessary to seek membership in both districts in order to participate in this oath; you will simply take the oath once and then decide whether to apply to one or both districts. This is your opportunity to be sworn into the District Court(s) with fewer admission requirements than if you wait to be sworn in at a later time.
